Fund: State Aeronautics (0221-00)

Sources: Fund 0221-00 acts as a bucket to deposit all revenues available to the State Aeronautics Fund.

An aviation fuel tax is levied on all aircraft engine fuel sold in this state at the rate of 5 1/2 cents per gallon of aviation gasoline, and 4 1/2 cents per gallon of jet fuel (§63-2408). All moneys collected for licensing of aircraft and airmen, and all fines and penalties paid under the provisions of the law relating to or regulating the operations, registrations of licensing of aircraft or pilots, air safety or air flight not otherwise appropriated, and paid into the State Aeronautics Fund (§21-211). Interest earned on idle funds are retained in this fund for the benefit of the State Aeronautics program as provided by legislation passed during the 2001 session. In addition, for FY 2003, receipts of up to \$168,500 in insurance proceeds stemming from the crash of a department-owned aircraft are reappropriated. In the budget process, fund-detail 0221-02 is used to designate the estimated revenues derived from these dedicated sources.

In the budget process, fund-detail 0221-03 is used to designate the estimated revenues derived from federal grants.

Also, receipts are collected and deposited to this fund to offset the use of state owned aircraft by other state agencies. In the budget system, fund-detail 0221-04 is used to designate the estimated revenues derived from billing to other state agencies.

Uses: The State Controller's accounting system controls expenditures at the fund level without regard to revenue source.

The State Aeronautics Fund is used for the purpose of furthering the development, administration, and enforcement of laws relating to aviation, for grants to airports, for the maintenance of state-owned airports, and for the operations of state-owned aircraft.

Fund: Local Highway Distribution (0259-01)

Sources: This fund is a special fund for local units' of government share of the highway users revenue. Moneys are transferred to this special fund monthly by the State Controller's Office from the Highway Distribution Fund (§40-701).

Uses: The apportionment of funds in this account is described in §40-709. Each month three hundred twenty-six thousandths of one percent (0.326%) is appropriated to the local highway technical assistance council, and the balance of the appropriation is distributed to the locals. Apportionment of funds to local units of government is as follows: 30% goes to incorporated or specially chartered cities that maintain roads (§50-1301) based on population and 70% goes to counties and highway districts. Of the portion going to counties and highway districts, 10% is divided equally among the forty-four counties, 45% is divided based on the dollar proportion of motor vehicle registrations, and 45% is divided based on the proportion of the number of miles of improved highways.
